Awesome League Full Registration Form | Ages 8-11 | **2024 - 2025**

I, _____ the parent/guardian of my ____ year old Awesome League artist, _____ have enrolled into The Inspiration Studio Academy of Fine Art program, known as The Awesome League. These semi-private art lessons, occur weekly and are located at: #10 Ardiel Drive.

WELCOME to the ISAFA Family! Please read & check off the following POLICIES as understood:

1. **The Awesome League** instructs children on a variety of fine art materials such as watercolour, acrylic, pastels, air-dry clay, needle-felting, basic sewing, beadwork, graphite, charcoal, sculpture, jewelry making and design, calligraphy, beadwork, pottery, markers and how to mix mediums. Following such projects as landscape, perspective, portraiture, figure, animal and mythical animal drawing, 3D media understanding, graphic design while studying art history and sciences.

2. **My Awesome League member will attend ISAFA each Tuesday** running 4:00– 6:00 pm except for Holidays.

3. **Monthly fees are due** within the first week of each month.

4. **Missed classes** will not be replaced. However, when available, time will be allotted for students to complete work but **please try to limit missed classes to no more than twice/month**. This creates a backlog of unfinished work and causes undue stress to your child.

5. **AFTER TWO REMINDERS**, I understand that late fees will be applied at the end of December and June if incurred.

1. **Provisions for all students:** a safe place to be their authentic selves! And to store their work onsite.

2. **Their own hand wash towel** is kept on site for sanitary reasons and are washed regularly and are kept separated.

3. **Walking Field Trips** are incorporated into the Monday Tweens Art Club to complement specific project objectives and inspire fresh ideas outside the studio. Dates will be announced as early as they are booked but are subject to change.

4. **COMMUNICATION:** Notifications and reminders for special dates and art homework will be emailed out along with group texts.

5. **HOLIDAYS/NO CLASSES**

The ISAFA Summertime Youth Market JUNE 21st, 2025, from 12:00 – 4:00 also held at the Okotoks Elks Hall. Because you are part of a community group working with children and teens, we do receive a kind discount from the venue! This is an exclusive opportunity for ISAFA students to be recognized for their efforts, skills and overall love for art. They are placed within the venue with their respective clubs and leagues to enjoy each others' company with the chance to meet all other members of the Studio. Both events include Light snacks and drinks for the art students. Additionally, creative activities for all student members, parents and guests. ABOUT THE LOCATION:

The Inspiration Studio Academy of Fine Art is located within a spacious basement suite with five individual workstations. The entrance and exit are through the gate to the east/ right of the house leading to the backdoor toward the Studio. Participants will receive their own workstation; materials and a limited amount of tool sharing may be necessary depending on the art activity. There is access to two washrooms, (one upstairs, one downstairs) and one large wash up sink. Everyone on-site is expected to use these one at a time and not line up. Washrooms will be sanitized after each use. Exit signs and fire escape maps are positioned inside the Studio for safety. We want everyone to have a great time creating their artwork and have the peace of mind that we are all safe and having fun! I have read these awesome practices and will share them with my registrant.
